

## Toppers of The Batch

### Results 2016-2017 III year II Semester

**Ch. Yamini**  
1<sup>st</sup> Topper

**G. Vamsi Babu**  
2<sup>nd</sup> Topper

**G. Sai Swaroop**  
3<sup>rd</sup> Topper

### Results 2016-2017 II year II Semester

**M. Bala Krishna**  
1<sup>st</sup> Topper

**P. Kumar Raja**  
2<sup>nd</sup> Topper

**B. Venkata Krishna**  
3<sup>rd</sup> Topper

### VISION

To prepare mechanical engineers with global competency and desire to serve the society.

### MISSION

- ✦ **DM1:** Transforming students as Mechanical Engineers with professional attitudes, Industrial adoptability, and leadership abilities.
- ✦ **DM2:** Providing Quality Education with state-of-art facilities.
- ✦ **DM3:** Inculcating ethical values, ability to lifelong learning and social responsibilities.

### PROGRAM EDUCATIONAL OBJECTIVES

- ✦ **PEO1:** To pursue successful careers or higher studies in Mechanical engineering through their strong foundation in mathematics, science and engineering.
- ✦ **PEO2:** To analyze and design appropriate solutions for socially relevant problems by using current engineering techniques.
- ✦ **PEO3:** To exhibit professionalism, ethical attitude, communication, managerial skills, team work and social responsibility in their profession and adapt to current trends by engaging in continuous learning.
- ✦ **PEO4:** To grab an opportunity to expand their horizon beyond Mechanical engineering

**MECH NEWS**  
**June-July 2017**

“The passion  
only that  
guides me is  
for the truth  
...I look at  
everything  
from this  
point of  
view.”

**Che Guevara**

This month, California set the stage for the next phase of innovation that could dramatically alter transportation and mobility across the globe. The state has proposed regulations to allow fully autonomous vehicles to drive on public roads – meaning empty cars with no steering wheels and no backup driver inside..

### Editorial & Design Team :

#### Faculty

Mr. K.B.S.V.D.Prasad

#### Students

Mr. B. Raja Narahari-

IV year

Mr. J Aditya Sai Ram-

IV year

Mr. P Kumar Raja-III year

### A seminar on Entrepreneurship workshop:-

This seminar is very helpful for our students to get a familiar idea on their future aspects in entrepreneurship. This program was led by some of the best entrepreneurs of Andhra Pradesh for motivating the students to achieve their future ambitions on their own start ups.

By attending this seminar our students got a good intension on their own start ups, and they had an idea on the steps of achieving entrepreneurship such as bank loans, clearance certification, e.t.c.

### Two Days Industrial Visit In Wagon Workshop, Guntupalli:-

Wagon Workshops in charge of production - Mr. G.Prabhakar guided the students on various activities held at the industry. Students were given a brief idea on the technical aspects of plating, forging, and the working of various machineries.

They collected information on the mechanical aspects of the project, viz how the wagon building process is to be held, its machining processes like stripping, alignment of axels, braking systems and electrical arrangements. By visiting this wagon workshop the students got a familiar knowledge about the building of wagons.
